Arthur graduated from the U.S. Coast Guard Academy in 1963. In Vietnam, he served as the commanding officer, USCGC Point Cypress, a unit attached to Division 13, Coast Guard Squadron One, from December 1965 to September 1966. For his meritorious service, Arthur received the Bronze Star Medal, with Combat Distinguishing Device "V".

Arthur attended Rutgers University, where he earned a masters degree in business administration. He is a successful small business owner, and his commitment to volunteerism and community service is evident through his roles as past president of Temple Emanu-El's Board of Trustees and board member of the Marcus Jewish Community Center of Atlanta.

A longtime resident of Sandy Springs, GA, Arthur is an avid tennis player, fisherman, and a committed runner of the annual Peachtree Road Race. A dedicated and loving husband of 46 years, Arthur is the father of three daughters and is blessed with seven grandchildren.

On April 23, 2010, Arthur will be inducted to the Wall of Gallantry at the Coast Guard Academy in New London, CT. I cannot think of anyone more deserving of such an honor than this true champion of patriotism and a countryman, Arthur E. Katz. •

TRIBUTE TO TERRY LINDSEY

• Mr. ISAKSON. Mr. President, I wish to honor in the RECORD of the Senate Terry Lindsey, who is a great Georgian, a great American, and a great citizen of Polk County. I honor Terry upon his retirement from Engineered Fabrics after 31 remarkable years and for his many contributions to the quality of life in Polk County, GA.

On March 31, 2010, Terry will retire from Engineered Fabrics Corporation in Rockmart, GA. He started with the company in 1979 as the manager of contract management, and he ends his impressive tenure as its vice president of marketing. I know he will be deeply missed by his colleagues at Engineered Fabrics, which is one of the largest employers in Rockmart.

In addition to his impressive career, Terry has a long history of community involvement in Polk County, where he is a well-respected and dedicated leader. Terry is a member of the Rotary and has been active in the Polk County Chamber of Commerce for a number of years. In particular, he has served as an inspiration and a role model to the young men and women in the chambers Youth Leadership committee.

Terry has been a familiar face during the Polk Chambers annual trip to Washington, DC, over the years. He has been instrumental in ensuring mem-

bers of the Polk County delegation had the opportunity to come to Washington and discuss important issues affecting the community with the Georgia congressional delegation through his role as a host or sponsor of these Washington fly-ins.

It gives me a great deal of pleasure and it is a privilege to recognize on the floor of the Senate, Terry Lindsey for his service to Polk County and to our great State of Georgia. He and his wife Jean have earned the many happy years of retirement ahead of them. •

REMEMBERING PATRICIA MALONE

• Mr. ISAKSON. Mr. President, I wish to honor in the RECORD of the Senate the life of a wonderful lady and a great Georgian, Mrs. Patricia Malone. Her commitment to the aviation industry spanned more than 50 years, affecting thousands of pilots through training standards.

Patricia "Mother" Malone began her introduction into aviation began during World War II when she was a link instrument training instructor for the U.S. Navy, training fighter pilots in instrument flight procedures. After the war, she was a civilian instructor for the U.S. Air Force.

She went to work for Delta Air Lines in 1972 and moved her family from Quincy, MA, to Atlanta, GA. During her long career with Delta, she created the operations specification curriculum for the airline and served as the manager of certificate compliance by the time she retired in 1994.

Patricia affected countless numbers of aviators through her work in aeronautical charting, and she trained pilots from most of the major airlines as well as military pilots. She earned the nickname "Mother" Malone from her pilots because she did more than teach them instrument flying and FAA regulatory compliance; she was truly invested in the lives of those she taught.

During her retirement years she consulted with pilots and airline industry professionals as well as lending her time to volunteering in her community. She selflessly gave her time to the YWCA of Cobb County, the Delta Pioneer, American Business Womens Association, Goodwill Industries, the American Red Cross, and her local board of elections.

Patricia W. "Mother" Malone passed away on August 12, 2008, at the age of 84. She is survived by her daughters, Alison, Peggy and Tricia, nine grandchildren, and one great grandson.

This year, Patricia will be posthumously inducted into the Georgia Aviation Hall of Fame, and I cannot think of anyone more deserving of this honor. It is only right that her accomplishments are permanently enshrined in Georgia's aviation history. •

TRIBUTE TO THEODORE ELDRIDGE

• Mrs. LINCOLN. Mr. President, today I congratulate Theodore Eldridge of

Moro for receiving the John Gammon Award for his dedication and service to the Arkansas agriculture industry. The award is presented each year by the Arkansas office of the U.S. Department of Agriculture's Farm Service Agency.

Theodore represents the best of our Arkansas values: hard work, dedication, and perseverance. He currently serves as the coordinator of the University of Arkansas at Pine Bluff's 52-Acre Demonstration Farm. He also works part-time for the UAPB Demonstration Outreach Center in Marianna and the East Arkansas Enterprise Community.

I have had the privilege of working closely with Theodore on several projects for the USDA Rural Development Program, where he served as district director in Forrest City, and later as the director of water and wastewater programs.

This past December, I was pleased to announce his appointment to serve on the Arkansas Farm Service Agency State Committee. He has since been elected chairman by the committee and has shown exemplary leadership for our State's farmers and ranchers as he ensures our producers have the tools in place to produce a safe and affordable food supply. Theodore plays a vital role in our State's rural communities as he works to facilitate programs that will spur local economic development. He also oversees and informs local producers about USDA programs.

As a seventh-generation Arkansan and farmer's daughter, and as chairman of the Senate Agriculture Committee, I understand firsthand and appreciate the hard work and contributions of our Arkansas agriculture community. Agriculture is the backbone of Arkansas's economy, creating more than 270,000 jobs in the State and providing \$9.1 billion in wages and salaries. In total, agriculture contributes roughly \$15.9 billion to the Arkansas economy each year.

I salute Theodore and the entire Arkansans agriculture community for their hard work and dedication. •
